REPORT NO. [REDACTED]

1. After the young tribesmen, who had reported in early February 1951 to the Iranian Army headquarters at Meshed, had waited several days to begin their special cadre training, certain impatient ones in the group approached the Meshed G-2 Office of the Iranian General Staff\* which in turn communicated with the G-2 Office in Tehran.
2. Subsequently the Meshed Office notified the young tribesmen that, because of the inconvenience to the tribesmen of undergoing training during the sheep-shearing time, the training program had been postponed until after No Ruz (Iranian New Year) and advised them to return to their homes until they were again notified to report.
